Behavior Policy:

Happy Campers Day Camp, LLC reserves the right to remove a camper from camp for any unsafe or inappropriate behavior including: bullying, violence, sexual harassment, endangering the safety of any camper or staff member, any type of discrimination, destruction of property, theft, verbal abuse, and possession of any kind of weapon. Medication Policy:

Campers are not permitted to carry their own medication at camp. All medications required by a camper at camp must be given to a camper's Camp Educators at sign-in on their first day of camp. Emergency rescue medication (such as inhalers, Benadryl, EpiPen, etc.) will be carried by camp staff and remain near your camper.

All prescription medication must be in the original prescription bottle with the camper's name on the label. Families are required to complete a medication authorization in their CampDoc Electronic Health Record for all campers requiring medication while at camp (including emergency rescue medication).

Please be sure that medication you are providing does not expire before a camper's last day at camp.

All remaining medication will be picked up by the camper's family at sign-out on their last day of camp.

Registration Policy:

There is a \$100 non-refundable registration fee. Any cancellation made up to 14 days prior to the start of a camp program will receive a full refund, minus the \$100 registration fee. Any cancellation made within 14 days of the start date of a camp program will not be eligible for a refund. All cancellation requests must be submitted in writing.
